MEMORANDUM FOR: Director of Central Intelligence

FROM:

Acting Legislative Counsel

SUBJECT:

Control of Legislative Branch Access to Compartmented Intelligence Information

- 1. We have contacted Speaker O'Neill's office concerning the Speaker's response to your letter on compartmented clearances and spoke to Mr. Ari Weiss. We explained that the policy in your letter to limit clearances to the Speaker and Majority and Minority Leaders was firm. Weiss discussed this with the Speaker during his routine call from Massachusetts. Mr. O'Neill agreed not to include the Whips but wanted to "think over" not including the staff of the Democratic Steering and Policy Committee as requested in his letter. Weiss will get back to us after the recess if the Speaker feels the Committee should be included.
- 2. Mr. Weiss said no written response to the Speaker's letter is necessary. We will recontact the Speaker's office after the recess to be certain there are no misunderstandings.
- 3. We are determining from Minority Leader Rhodes if he wants any members of his staff cleared for access.
